

## AGEA Art GALLERY WEB PAGE INFORMATION

AGEA members that are interested in putting their art work on the Art web site please follow these directions. You will need to photograph your art work and put it on a CD. Try to get as much of your art piece as possible in the photo. You can get CD's made from your film or your digital camera's at Wal-Mart etc. The CD should have your name on the outside of the CD.

Each artist will need to fill out the following or the web master will not be able to process your pictures:

Date\_\_\_\_\_

I\_\_\_\_\_ give the Art Guild of Eastern Arizona permission to put the following personal information on the AGEA Web site in the Art Gallery.

Signature\_\_\_\_\_

1. For each piece of art work you must have: (please print or type clearly)
  - a. Your name.
  - b. Your contact information (this can be your e-mail, your phone number and or your address.) This is completely your choice. But we must have some type of contact method so interested buyers can contact you. We will not be the go between.
  - c. The title of your art piece.
  - d. The medium of your art piece.
  - e. The size of this art piece.
  - f. The price of this art piece.
  - g. The category of the piece. Example landscape, seascape, floral, western, etc.
  - h. Each art piece must have an ID number. (If you have CD's made at Wal-Mart they have a number on each picture.
  - i. You will need to make a copy of this page and your art work for your records. Bring CD's to Edith Austin or "The Little Art Gallery". **AGEA has no liability of copyright infringement in full or in part of any art work.**
